

ABLENET IMPROPERLY BUILDS DEVICES AROUND TD SNAP®

According to Tobii Dynavox's federal complaint, with respect to Tobii Dynavox's proprietary software TD SNAP®, AbleNet bundles TD SNAP® with third-party tablets and accessories, marks up prices for insurance reimbursement, and does not offer its own assistive technology software.

AbleNet bundles TD Snap® with third-party tablets and accessories, sells devices under AbleNet (QuickTalker) branding, marks up prices, does not offer its own assistive technology software, and continually benefits from the unauthorized resale and distribution of TD Snap®.
